Phone card

Print, cut along the dotted line, and keep one by the phone and one in your wallet.

STOP. Hang up. Call back.

- Hang up, even if it sounds like family.
- Call back on a number you already have.
- Ask for the family safe word. No safe word, no money.
- Never pay with gift cards, crypto or a payment app.
- Banks never ask you to move your money.

Already sent money? Call your bank now.
